On Fantasy. The best fantasy is written in the language of dreams. It is alive as dreams are alive, more real than real for a moment at least that long magic moment before we wake.

FIFA - FIFA

Fantasy is a genre of fiction (make believe) that shows some form of magic, or supernatural force.. Often fantasy also means that the story happens in a fictional place, a world different from our own (e.g. Middle-earth or Narnia). Although the word fantasy is most often applied to low-tech worlds, it also can depict high tech worlds, overlapping with science fiction (e.g. Star Wars).
