Tom Watson is on a campaign to stem the flow of defections and eradicate anti-Semitism from Labour. The MP has been accused of treachery by Corbyn's supporters, writes ANDREW PIERCE.

Blowing a raspberry - Wikipedia

The nomenclature varies by country. In most anglophone countries, it is known as a raspberry, which is attested from at least 1890, and which in the United States came to be abbreviated as razz by 1919. In the United States it's also been called a Bronx cheer since at least 1929.. Blowing a "raspberry" derives from the Cockney rhyming slang "raspberry tart" for "fart".
